

GISBORNE VILLA

Most summers we rent out our lovely home to holiday makers or yoga students visiting Gisborne.

Ours is a 3 bedroom villa (1 double 2 singles), however one 'single' bedroom is very large with a fold down double couch & single bed, so we can accommodate up to 6 people.

Linen & all kitchen amenities provided along with all other standard house-hold appliances.

The house opens out to a sunny North facing deck with private back yard (swing/trampoline), with BBQ, sun umbrella, fruit trees, vege garden...

We are close to town (walking distance 15 minutes), The Yoga Room, and close to rivers 5 minutes drive to the major beaches. Very close to the Botanical Gardens & the Balance St Village café/chemist/bakery/health store...

The cost per night is \$150.00 for 4 people, with an extra \$20 per night per extra person.

We expect the house to be cleaned by you before your departure or we will provide a house cleaner at an extra \$45.00 per week.

We do have 2 lovely cats that remain here during our absence either fed by our 'tenants', or we arrange someone to come in.

Please feel free to check out our property on the following website: <http://www.holidayhouses.co.nz/properties/4042.asp> or give us a call for more details on 06 867 1481.

We have daily requests to rent out our house as accommodation is very hard to come by in Gisborne at this time of year, so you will need to get back to us sooner rather than later.

We have a preference to rent out to Peter's yoga students and to families or groups that require somewhere for more than 10 days, which is why our property is still available.

Cheers,

Ruth
